Tunnel To Tower 5K Run/Walk

ABC7 invites you to join us as we follow in the footsteps of an American hero and raise money to help make a positive and lasting difference for children who have lost one or both parents or who have other special needs. Take part in the Firefighter Stephen Siller Tunnel To Tower 5k Run/Walk to benefit the NYC Firefighter Burn Center Foundation and the Stephen Siller, FDNY, "Let Us Do Good" Children's Foundation. On 9/11, husband, father and firefighter Stephen Siller, who was off-duty, went to the World Trade Center after hearing about the attacks on his scanner. When his truck was prohibited from entering the Brooklyn Battery Tunnel he raced on foot towards the site with his gear strapped to his back. He was last seen alive on West and Liberty Streets where he, more than likely, went looking for his Squad, all of whom perished. The Tunnel to Towers Run retraces Stephen's footsteps on that fateful day. In running along his path, we honor the memory of all the Firefighters, Police, and EMS workers who performed their duty that day. In running this race, we are reclaiming still another part of the city for all our heroes and for all of those who died on 9/11. The 5k run/walk takes place on Sunday, September 28, 2002.
